<b>Project identification</b>	
<b>Project partnership</b>	X
The partner no. 8 “Eden Project” cannot longer assume an active role in the project and request to withdraw from the project. The University of Exeter will assume its role and budget and asks to be accepted as new partner no. 8. This entity is located in the same region of United Kingdom (Cornwall) and has a wide experience and skills within renewable energy generation and energy policy and economics as well as financial capacity to commit with the project. They will assume the total of the project and their activities within the WPs.
