Meeting agenda

WP5 leadership. IN WORK & IN TRAINING

Defining WP5 coordinator's role and contributions to the planning of the work package, for partners finance scholarships and training actions to be able to start planning them (administration procedures for agreements with companies, appointing young graduates, identifying SMEs, etc.)

Reviewing Activity 5.1. Redefinition of naval professions and skills

- Feedback needed from partners (template): CIT, HSSMI, FMV and F.O (contributing through a work group at Sea2 Business in November)

- Need to compare and take transnational conclusions on naval professions, skills and trends

Reviewing Activity 5.2. Training syllabus

- Advancements and needs by ASIME

Defining Activity 5.3. Training and scholarship programme

- Defining the profile of naval SMEs and young graduates participating in the training and scholarship programme
- Responsible partner per sub-activity
- Defining the products and expected results per subactivity
- Defining the overall expected results in WP5
- Determining the order of activities and sub-activities (interrelation).

Reviewing Activity 6.4. IN 4.0 Connect Platform.

- List of 20 companies per project country (4.0 technology suppliers and naval companies susceptible to demand 4.0 technologies) requested by CIT.

Decision on the 3rd SC meeting

- Options: 5th December in Lorient (BPN) // Glasgow, last week of November (HSSMI)

Instructions to access the remote meeting

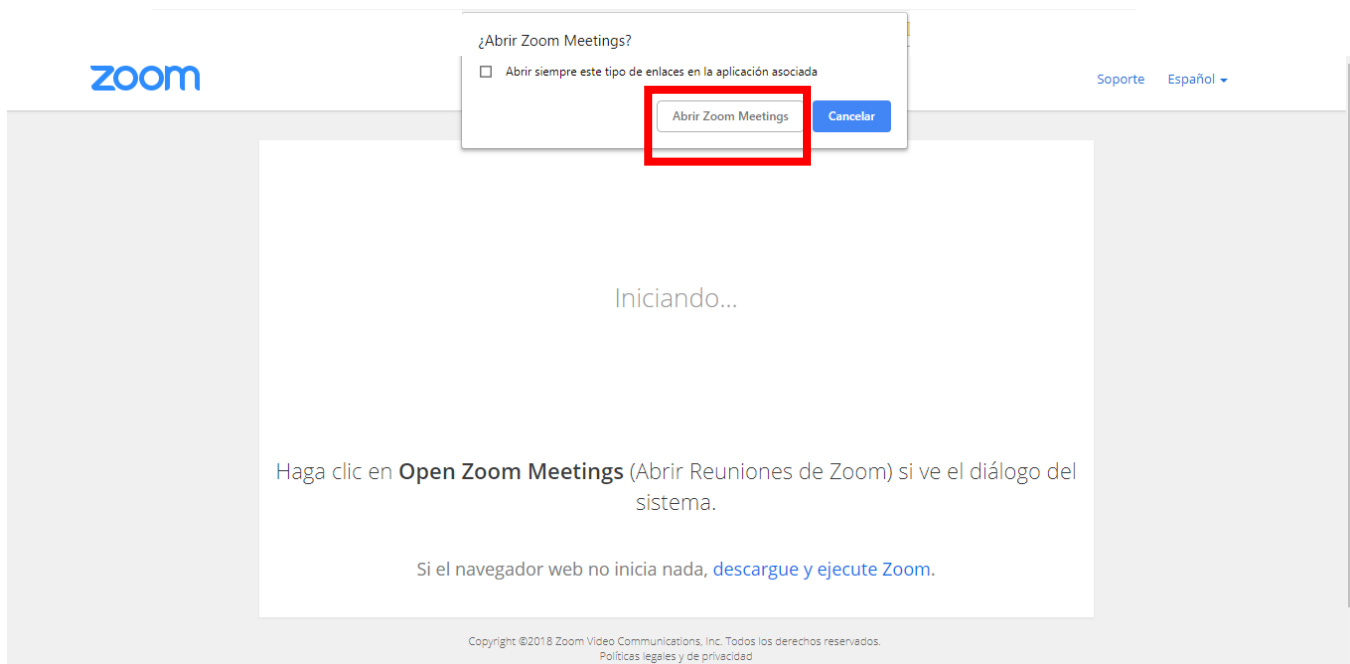

- Click in the following link at the agreed time: <https://zoom.us/j/422876567>
- Windows will pop-up in your language. Click in the first link (the second one directs you to the app download page, but you do not need to download and set up ZOOM to your computer)

Aviso de redirección

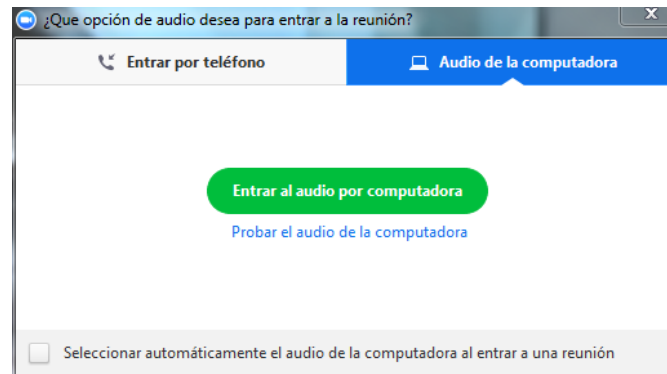

La página en la que te encuentras te intenta dirigir a <https://zoom.us/j/308670755>.

Si no deseas visitar esta página, puedes [volver a la página anterior](#).

- Now click in the OPEN ZOOM window in the pop-up window displaying a URL or the text “Open Zoom Meetings”:

- Access to your computer audio by clicking on the green button

- Manual selection of audio (telephone or computer) and activating camera

In case you need to set up your own microphone or speakers, display the menu on the upside arrow next to the micro symbol

In case you wish to close/open your camera, click on the camera symbol
